Easy and hard things, Chow Yong Han

By Chow Yong Han

1-1 minutes

Giving ideas is easy, executing is hard.

Taking on new projects is easy, completing them is hard.

Giving promises is easy, keeping them is hard.

Publishing books is easy, selling them is hard.

Reading is easy, applying the knowledge is hard.

Teaching is easy, influencing the audience is hard.

Starting a business is easy, growing it is hard.

Investing is easy, staying invested is hard.

Getting into a relationship is easy, staying together is hard.

Doing things yourself is easy, doing things together is hard.

Following others is easy, leading is hard.

Thinking the world is wrong is easy, correcting your thinking is hard.

We tend to do the easy things but give up when it gets hard.

Success means getting past the hard parts.
